withthegrid

# EU Declaration of Conformity

**Manufacturer details**
Withthegrid (methetnet B.V.)
Europalaan 400
3526 KS Utrecht
Netherlands

**Sole responsibility**
This declaration of conformity is issued under the sole responsibility of the manufacturer.

**Object of declaration**
**Product name:** Withthegrid DH Leak IoT sensor
**Product type:** IoT Sensor to monitor loop and insulation resistance to detect pipe damages and leakages in district heating systems in real-time and securely transmit encrypted data to a remote platform.
**Model(s):** Withthegrid DH Leak
**Software version:** Firmware version 10.1.6 (dh-leak) and subsequent versions within the same product family.

**Declaration of compliance**
The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

- Radio Equipment Directive (RED) 2014/53/EU, specifically essential requirement Article 3.3(d), as implemented by Commission Delegated Regulation (EU) 2022/30.

*(Note: Articles 3.3(e) and 3.3(f) are not applicable to this product).*

**Harmonised Standards applied:**
Conformity is declared based on the application of the following relevant harmonised standards:

- EN 18031-1:2024

Signed on behalf of methetnet B.V.:

Paul Mignot
